Stream Team Breakout Topics

1/30/2020

STREAM TEAM GOALS ?

Outreach / Training ?

Implementation / Construction Assistance ?

Tech Support ?

Road Ditch Program?

Current Program Potential Gaps

INCENTIVES   STAFF

Staff

- Currently built into district capacity

- Based on local District Network

- Is there need for additional staff?
  - USC or District?
  - Engineering Support?
  - Implementation Support?
  - Field Support?
  - Design / Drafting Support?

- Where is the workload?

- How does it look if more staff are hired?

- What assurances do districts need to hire?

Partnering

- Partners?
- How are we partnering currently?
  - Outreach?
  - Implementation?
  - Projects?
  - Verification?
- Are we missing opportunities?
- What are the obstacles?
- What can we do to engage more with our partners?

Training

What do we want to learn?

Expertise from within the USC?

Expertise from outside of the USC?
